

4 COUNTY ACCESSIBLE HOUSING LIST (Montgomery, Bucks, Delaware, Chester)

The following is a list of unsubsidized rentals in Montgomery, Bucks, Chester, and Delaware County that are accessible. The Fair Housing Rights Center in Southeastern Pennsylvania receives this list from the [Freedom Valley Disability Center](#) in Newtown Square, Pa.. We also distribute the list to various agencies around Montgomery County (see back page for lists of sites) as well as a Home Seekers List which is updated on a weekly basis..

This listing does not mean that all locations sited will have a unit available at the moment. This listing does not cover all accessible housing that might be available. You should also check community newspapers and talk with real estate agents. The Fair Housing Council is not affiliated with any of the properties listed herein and cannot guarantee their availability, accessibility or suitability. We simply relay what has been given to us by FVDC to help you get started in your search. We strongly recommend that you refrain from paying a finder's fee to any company while apartment hunting. You should not have to pay anyone to help you find or locate an apartment.
